## GOULD NOT INTERESTED.

The proposed consolidation of the Washington, Alexandria and Mount Vernon railway, the Washington, Arlington and Falls Church railway and the New Washington and Virginia railway, which may mean the extension of an electric line into the valley of Virginia, has no connection with the plan of the Gould lines to build an electric road from Richmond to Washington.

According to President William Northrup, of the Virginia Railway and Power Company, Mr. Gould is in no wise financially interested in the combination, nor does it influence his tentative plans in the slightest degree. Mr. Northrup stated that it was possible that Mr. Gould might sometime build a line to Washington, although he intimated that definite steps in this direction would probably be long postponed. The project would require the expenditure of millions, he said, and he was of the opinion that Mr. Gould was not desirous of sinking any large amount of capital in such a venture out of the present rather turbulent political and financial conditions throughout the country. The combination of the Washington and Virginia lines, Mr. Northrup considered as a move on the part of the companies concerned made to cut down operating expense.—(Richmond Virginian.)

## PROTESTS AGAINST THE SALE.

There was a well-attended meeting of the Relief Hook and Ladder Company last night. President J. H. Trimyer presided. The main business before the company was a protest against the city disposing of the two frame houses and lots adjoining the track house on the east. The company induced the city to purchase this property several years ago for the purpose of erecting on the sites of the houses a new building for the organization. Interest in the movement has since lagged, and the houses having become an eyesore, a resolution was introduced in the City Council last Tuesday night looking to the sale of the property provided the purchaser will erect on their sites modern dwellings. President Trimyer appointed William C. Wildt, Thomas A. Fisher, August Oehlert, E. Stuart Smith, Charles DeMoll, to look into the matter, after the company had passed a resolution protesting against the sale. President Trimyer is also a member of the committee.

## EUCHE PARTY.

Attention is directed to the advertisement of the Y. M. C. L. which will give a euchre and entertainment in their hall next Monday night. Many handsome prizes have been donated and a pleasant evening is promised all. Tickets can be had from the members, or at the hall.

## SURPRISE THEATRE.

The Surprise theatre was filled to its fullest capacity last night. The show was first-class in every respect and each number received a well deserved amount of applause. There was a matinee this afternoon and tonight there will be an entire change of program. This company will produce a laughable one-act comedy in vaudeville entitled "A Day at the Country School," interspersed with nine vaudeville acts. Don't fail to see it. Only ten cents.

Shoes less than half price—200 pairs Misses' Shoes that cost to manufacture \$1.50 and \$1.75, and sold at \$2.00 and \$2.50, will be sacrificed at 98c per pair. John A. Marshall & Bro., 422 King st.

## A DISAPPOINTMENT.

As was stated in the Gazette, after a spectacular flight from the Benning race track to the White House and return, Claude Grahame-White met with two accidents in which he smashed his Blériot monoplane and injured the top of the Washington Monument. The flight over the city was a complete success. Grahame-White decided last night that the accidents to his Blériot monoplane and Farman biplane at Benning render it impossible for him to try to break the world's endurance record during his present visit to Washington. After the accidents he wired to New York for another Blériot machine, but he learned last night that it could not reach Washington in time for a flight today or Sunday. He will leave Washington Monday to prepare for the international meet on Long Island. So last night he issued a signed communication stating that owing to the accidents to both his aeroplanes at Benning it will be impossible for him to make such an extended and hazardous flight.

The announcement that there would be no flight today from Benning to Jones's point was a great disappointment to nearly every person in the city, especially the younger generation who had been assured that they would witness today.

All the arrangements had been made yesterday afternoon by the projectors of the test, who visited Jones's Point, where a canvas signal had been placed. Two physicians were to be on hand and boats were to be in readiness to rescue the aviator should an accident befall him.

Some men and boys, who had not heard that the flight had been called off, gathered at different places on the river front this morning and peered toward the northeast, anxiously awaiting the appearance of the aviator. Many people living in the surrounding country who came here to witness the flight were greatly disappointed when they learned that the performance would not take place.

## THE ALEXANDRIA GERMAN CLUB.

The annual meeting of the Alexandria German Club was held at the Chamber of Commerce rooms last night. The meeting was for the election of officers and governors for the season of 1910-11. The following gentlemen were elected:

President, Arthur Herbert, jr.; secretary, Conrad Johnson; treasurer, Julian T. Burke, jr.; governors, Edmund P. Hunter, Edward S. Fawcett, Richard M. Chichester and Jas. S. Douglas, jr.; leader, Jas. S. Douglas, jr.; assistant leader, J. T. Burke, jr.

Dr. Cochran who had held the office of president for seven years and Mr. Douglas who had proved himself a model secretary, both declined re-election despite the request of their fellow members of the club. Though the banking element appears loyal to predominate in the above lists it does not necessarily follow that the club's treasury is particularly plenteous.

It is hoped that arrangements can be made to hold the dances in future at the Elk's Hall on Prince street, the advantages of that building being so superior to other places in the city.

## THE MCKINLEY N. &amp; I. SCHOOL.

The National Christian Congress Association of America held its fifth annual convention at the Wm. McKinley Normal and Industrial School last night. Rev. R. B. Robinson, president of the association, delivered the annual address. Prof. A. B. Thompson and Rev. J. N. Beaman also delivered addresses. A general committee was appointed to raise \$1,000 to pay off the debt on the McKinley Normal and Industrial School. The association has taken the school under its management and assumed the debt.

## FRATERNAL VISIT.

Metropolis Lodge, No. 16, Independent Order of Odd Fellows, of Washington with their Kazoo band will pay a fraternal visit to Potomac Lodge of O. F. F. No. 38, of this city, next Friday night. At the meeting last night of Potomac Lodge committees were appointed to make arrangements for their reception.

## POLICE COURT.

[Justice H. B. Caton presiding.]  
The following cases were disposed of this morning:  
James Molzingo, charged with disorderly conduct, was fined \$5.  
Emma Cole, charged with drunken and disorderly conduct, was sent to the work house for 20 days.

## SUIT FOR DAMAGES.

Walter C. Murphy began suit in Washington yesterday against the Washington Southern Railway Company and the Atlantic Coast Line Railroad, for \$5,000 damages. Murphy alleges that on June 11 last, after purchasing a ticket, he was forcibly ejected from the train at Petersburg, the conductor refusing to accept his ticket.

## AFRAID OF SNAKES.

A large snake ran out of a yard on the east side of Fairfax street, north of King, this morning just as a wagon was passing and was run over and killed. Soon one of the city carts passed by and an officer called the colored driver to stop and then threw the snake into the cart. When the driver saw the snake he jumped from the cart and ran off like a deer. It was some time before he could be induced to return and take his cart and the snake away.

## COMMITTEE ON STREETS.

The committee on streets of the City Council was organized yesterday with the re-election of Councilman E. S. Leadbeater as chairman. Other members of the committee are Councilmen Louis Brill and J. Fred Birrell and Aldermen C. J. W. Summers and Kenneth Ogden. The committee will carry out the provisions of the resolution passed by Council on Tuesday night to have King street swept every Saturday night.

People living in the vicinity of Queen and Alfred streets say the electric light at that intersection fails to burn on many occasions.

## WASHINGTON STREET M. E. CHURCH SOUTH.

Tomorrow will be Rally Day at the Washington Street Methodist Church, South. In the morning, at 9:30, the rally of the Sunday school will take place. Great preparations have been made for this occasion. All the departments will assemble in the lecture room which will be appropriately decorated and where a fine programme will be rendered. A great attendance is expected and visitors will be cordially welcomed.

At the morning service a rally of the church membership is to occur. Special invitations have been sent out. Appropriate music will be sung by the choir, and the pastor, Rev. M. Carter, will take for his subject "A Deserted House." The public is invited to this and all other services of the church. In the evening a series of special services will be inaugurated. These will be held for two weeks, every night except Saturday. A chorus choir will furnish music. The services will be bright and attractive. It is hoped many will arrange out to miss a single night. The meetings will be in the church auditorium.

## GRACE CHURCH ANNIVERSARY.

Skating Rink open tonight. No game of basketball.

"Take it from us friend, we know! We know we can save you the first hand. Shoulders in Alexandria cheaper than you can buy 'em anywhere else. If you don't happen to be 'hep' to our prices just look to our big ad. on this page. The quality of our products hit the 'high places' but our prices are on the 'dead level.' Whenever you want anything to eat that's 'worthwhile' come to Blondheim's Auto Stand or Market. Take it from us friend, we know!"

## Storm Warning.

Washington, D. C., Oct. 15.—The Weather Bureau today issued the following storm warning:

"The hurricane has remained stationary for the past 12 hours and is still centered over the Florida Keys in the Gulf of Mexico. It is now apparently taking a northerly course and will probably reach the northeast coast of the United States in the next 24 hours. It is still of great intensity and wide extent and its progress will be marked by dangerous gales. All vessels should be given warning."

## A. L. I.

At the regular weekly drill of the Alexandria Light Infantry next Monday night, when a large attendance is expected arrangements will be made for a trip by the company to Leesburg, Va., to give an exhibition drill before a new company how being organized there. The new Leesburg company will be attached, after muster, into the state service, to the Second battalion of the First regiment, commanded by Major James E. King, and of which the Alexandria Light Infantry is a part. The officers of the new company will visit Alexandria at the next weekly drill to witness the drill at the invitation of the local company.

## RUNAWAY.

A horse attached to a wagon belonging to Mr. W. W. Simpson ran away on the Strand, near King street, this morning. The wagon was overturned and two boys and a girl—Mr. Simpson's children—were thrown under the vehicle. The children escaped serious injury, but Walter Davis, the driver, was painfully hurt. Dr. Moore was summoned to render surgical aid.

## AN ENORMOUS CROWD.

Close attention to the comfort of the theatre goes and seeing to it that the rowdy element is eliminated from attending the performances at the Opera House and annoying those who wish to see and hear has won for the new management encomiums of praise throughout the entire city. This, combined with the character of shows seen nightly, is in a great measure responsible for the enormous crowds which seating capacity fails to accommodate. An enjoyable evening is in store for the patrons of the Opera House tonight.

## DANCE LAST NIGHT.

The Assembly Dancing Club gave a dance in the new Elks' Building last night. There was a large attendance. Cohen's orchestra furnished the music, and the supper was prepared by Mr. F. C. Spinks. The club will give dances every Wednesday night.

## SYNOD OF VIRGINIA.

The second day's session of the Virginia Presbyterian Synod opened in Charlottesville at 9 o'clock yesterday morning with devotional exercises conducted by Rev. Dr. B. F. Wilson, of Harrisonburg. At the opening of the business session the moderator, Dr. Russell Cecil, of Richmond, announced the standing committees.

At 11 o'clock one of the most important matters before the Synod was taken up—the centennial movement of the Union Theological Seminary, at Richmond. It was founded in 1812, and will celebrate its centennial in 1912.

The finances of this institution are desperately inadequate. A large amount of money must be added to the resources of the institution, or it must retrench its work disastrously. Both the Synods of Virginia and North Carolina have resolved to endeavor to raise a \$300,000 centennial fund for the seminary. To date more than \$100,000 of this amount has been raised.

A communication was read from certain representatives in regard to church unity. It was presented only on the authority of its signers, who acted on their own responsibility. It was referred to a committee.

No afternoon session of the Synod was held. At 4:30 in the afternoon the members of the body took street cars to the university, where, in Cabell Hall they were warmly greeted, by President Alderman.

The sermon at 8 o'clock last night was preached by Rev. Dr. T. R. English, of Richmond.

Rev. C. W. Maxwell, of South Boston, Va., presented a report on the establishment of a home for the aged, recommending that trustees be appointed with authority to secure a charter for such an institution.

The resolution asking the General Assembly to establish a home for incurable invalids was voted down, as it did not seem wise to ask this of the assembly at this time.

The Synod decided to meet hereafter on Tuesday's instead of Thursday.

## HOLLAND WINS.

In the primary election held yesterday in the Second congressional district to elect delegates to a convention at Suffolk to nominate a candidate for congress Col. E. E. Holland, state senator from Nansemond county, polled almost as many votes as did W. J. Young, of Norfolk; H. L. Maynard, of Portsmouth, and J. T. Deal, of Norfolk, combined, and his strength in the convention will be proportionate.

With three small precincts in Norfolk county and four in Princess Anne to hear from, 11,141 will have 79 votes in the election. Young 62, Maynard 16, and Deal 7. Should there be an effective combination against Holland, the Nansemond man could not win, and Deal, who is polled but 351 votes in the district, would probably stand a better chance than either Maynard or Young. Holland so far has received a popular vote of 3,562, Young of 2,573, and Maynard of 680.

The election followed the annullment of the primary of August 23 on account of frauds committed by the state central committee. Maynard and Young were the candidates in that primary.

With all of Nansemond's 13 precincts in Deal 62, Holland 1,201, Maynard 6 and Young 33; Southampton, complete, gives Deal 5, Holland 676, Maynard 46, Young 45; Isle of Wight, with every precinct reported, gives Holland 468, Maynard 12 and Young 23.

## Premature Explosion.

Paris, Oct. 15.—What is believed to have been an attempt to blow up the London-Paris express was prevented today by the premature explosion of one of the bombs placed on the track near Breuil. A railway employee, bearing the explosion, rushed back and stopped the express, which was but half a mile away. The wrecking attempt is charged to the striking employees.

## Declared Constitutional.
